

Consultant Quantity Surveyor – NEC Projects

- Feel constrained or frustrated?
- Looking to develop your career and talents?
- Have a passion for excellence?

We have an answer.

GVE Commercial Solutions is expanding.

We are looking to appoint a consultant quantity surveyor to join our existing team and to take a role in the expansion of the company by delivering high quality professional services to senior managers and directors in our clients.

Applicants need to clearly demonstrate that they have:

- Appropriate qualifications
- Significant NEC knowledge
- A minimum of 7 years' experience in applying this knowledge hands-on at senior level

To be successful an applicant will need to show that they have had success over a wide range of NEC projects of significant value and have exercised mature judgement and initiative, probably administering sub-contract and employer accounts with experience of complex compensation events.

They will be able to show detailed programming knowledge and the confidence to work at senior level.

Their experience with NEC will have included working over all phases of contracts in a large contractor, sub-contractor or in a commercial consultancy, taking part in:

- Dispute Management
- Change Management
- Commercial Management
- Risk Management

Our competitive remuneration and benefits package will reflect the importance and seniority of this appointment.

Qualifications: Degree and post-graduate qualifications. MRICS or equivalent.

Location: London and SE England. (Essex, Kent, Surrey, Middlesex, Sussex).

To apply please send your CV to Jo Dear, Office Manager – jdear@gvecs.co.uk
Telephone - 01622 755359

GVE Commercial Solutions Ltd

GVE are commercial consultants and quantity surveyors providing services to clients in the building, water, rail, road, power and gas, aviation and marine sectors.

We provide:

- Quantity surveying
- Commercial management and contract administration
- Expert contract advice
- Dispute resolution
- Bespoke training in NEC family and JCT contracts

Established over 10 years ago we have had steady growth, building an enviable reputation in the industry for achieving the highest levels of results coupled with solid customer care. Our client base and fee incomes reflect this stable and sustainable growth.

We are now taking this on to the next stage of development and are looking to add to our existing team of best-in-class professionals to meet the current and projected growth in our clients' needs for high quality professional services.

Why join GVE?

This is an exciting opportunity to join a successful, hard-working and dynamic consultancy with the freedom and encouragement to develop professionally and to succeed without the burden of excessive management structures.

You will be able to contribute to and share in the growth of this highly regarded firm.

You will be working with clients who are in the top echelons of the construction industry.

Your colleagues will be like-minded and motivated.

Your work will be varied, challenging and rewarded at the top end of the industry's scales.
