

## Senior Consultant Quantity Surveyor – NEC Projects – £60,000 – £80,000pa + Benefits

- ✓ Feel constrained or frustrated?
- ✓ Looking to develop your career and talents?
- ✓ Have a passion for excellence?

We have an answer and our competitive remuneration, £60,000 - £80,000pa and benefits package will reflect the importance and seniority of this appointment.

GVE Commercial Solutions is expanding.

We are looking to appoint a senior consultant quantity surveyor to join our existing team and to take a role in the expansion of the company by delivering high quality professional services to the most senior managers and directors in our clients.

Applicants need to clearly demonstrate that they have:

- appropriate qualifications
- substantial NEC knowledge
- a minimum of 10 years' experience in applying this knowledge hands-on at the most senior level

To be successful you will need to show that you have had success over a wide range of NEC projects of significant value and have exercised mature judgement and initiative, probably managing sub-contract and employer accounts and managing complex NEC3 disputes.

Your experience with NEC will have included working over all phases of contracts at a senior commercial level in a large contractor, sub-contractor or in a commercial consultancy, taking responsibility for:

- Dispute Management
- Change Management
- Commercial Management
- Risk Management
- Adjudication

You must be:

- able to work on own initiative and work as part of a team
- able to work under pressure and to work if necessary, on a number of projects at the same time
- commercially alert, able to spot opportunities and assist in converting these into billable projects
- able to form and then develop sustainable long-term relationships with both our existing clients and new clients.

Qualifications: Degree and post-graduate qualifications, MRICS or equivalent.

Location: London and SE (Essex, Kent, Surrey, Middlesex, Sussex).
